SUPPLEMENTARY INFORMATION:

I. Background

In the April 6, 2022, issue of the **Federal Register** (87 FR 19957), we published a Paperwork Reduction Act notice requesting a 60-day public comment period for the information collection request identified under CMS-10440, OMB control number 0938-1191, and titled “Data Collection to Support Eligibility Determinations for Insurance Affordability Programs and Enrollment through Health Insurance Marketplaces, Medicaid and Children’s Health Insurance Program Agencies.”

II. Explanation of Error

In the April 6, 2022, notice, the title associated with the information collection request identified under CMS-10440 is correctly listed on page 19957, in the second column, in the third paragraph under “Contents.” However, the title on page 19958 in the first column, in the second paragraph, beginning on line 11, the “Title of

Information Collection:” incorrectly reads, “Medicare Coverage of Items and Services in FDA Investigational Device Exemption Clinical Studies—Revision of Medicare Coverage.” This notice corrects the “Title of Information Collection.” All of the other information contained in the April 6, 2022, notice is correct. The related public comment period remains in effect and ends June 6, 2022.

III. Correction of Error

In the **Federal Register** of April 6, 2022, in FR Doc. 2022-07314, on page 19958, in the first column, in the second paragraph, under “Title of Information Collection;” in lines 11–15, correct “Medicare Coverage of Items and Services in FDA Investigational Device Exemption Clinical Studies—Revision of Medicare Coverage” to read, “Data Collection to Support Eligibility Determinations for Insurance Affordability Programs and Enrollment through Health Insurance Marketplaces, Medicaid and Children’s Health Insurance Program Agencies;”.

Dated: April 12, 2022.
